2014 Tony Nominee for playing Barry Mann in "Beautiful:The Carole King Musical" presents a brand new show celebrating the male tenor. Having played Frankie Valli in Broadway's "Jersey Boys" for 5 years/1500 performances, Jarrod's new show traces the sound that Frankie had… from Caruso, The Beach Boys, Little Jimmy Scott, Little Richard up to Paul McCartney and Queen. The evening includes such classic songs as "C'Mon Marianne", "Beggin," and more. Featuring a full band and back-up singers, Jarrod takes the audience on a joyous ride of great songs everyone knows and tells a vivid story about his time as the iconic Valli.
