General Education Courses: AA degree students must meet all general education requirements as published in the catalog. All general education courses must be completed with a "C" or higher. Please see an advisor if you have any questions.

Elective Courses: AA degree students should select electives that support their program of study. Please see an advisor if you have any questions.

Notes:

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

FOR EDUCATION MAJORS: General education courses will be determined by the community college or university where the student currently is earning the Associate in Arts or baccalaureate degree, and will be published in the institution's existing catalog and in the Community College Counseling Manual.

-
- (1) In addition to EDF2085, a minimum of 6 sh with an international or diversity focus is required. Eligible courses will be determined by the community college or university where the student is currently earning the Associate in Arts or baccalaureate degree. Foreign language courses may be used to meet this requirement.
 - (2) or higher. Students are expected to take 8 credit hours of Chemistry/lab and/or Physics/lab course work.
 - (3) UNF prefers that students take one Chemistry and one Physics course instead of two Physics course in addition to the Biology.

NOTE: Tracks under a different CIP number at CC, ESC, FGCU, IRCS, MDC, SPC.
