Current and Future Methods of Chiroptical Analysis in the Pharmaceutical Industry

Speaker: Dr. Laurence A Nafie

Distinguished Professor at Department of Chemistry, Syracuse University

Wednesday
December 2nd 6:00-8:00pm
Bioscience Technology Complex
SC 170

Palm Beach Community College
3160 PGA Boulevard - Palm Beach
Gardens

Join Us for the Second meeting of the Bioscience and Analytics of South Florida (BASFlorida). BASFlorida is created to bring together South Florida scientists to discuss scientific research and advancements in bioscience. Dr. Laurence Nafie, Distinguished Professor at Syracuse University, will present about current and future methods of Chiroptical analysis.

Learn about:

- NMR and X-ray crystallography
- Vibrational Circular Dichroism (VCD) and Vibrational Raman Optical Activity (ROA)
