

Proposed Course Wheel for Environmental Science Technology Track

<u>Fall 1</u>		<u>Spring 1</u>	
ENC 1101 – College Composition*	3	CHM 1045 – Chemistry	3
MAC 1105 – College Algebra *	3	CHM 1045L – Principles of Chemistry Lab	1
BSC 1050 – Environmental Conservation*	3	HSC 2100 – Health Concepts and Strat.*	3
BSC 1010 – Biology*	3	ORH 2511 – Plants of South Florida	3
BSC 1010L – Biology Lab*	1	GLY 2030C – Environmental Geology	3
GEA 1000 – Principles of Geography and Conservation (or other Social Science elective*)	<u>3</u>	EVR 2266 – Survey in Environmental Mapping/GIS	<u>3</u>
Total Semester Credits	15	Total Semester Credits	16
<u>Fall 2</u>		<u>Spring 2</u>	
SPC 1016 –Fundamentals of Speech Com.*	3	EVR 1007 – Florida’s Environmental History	3
EVS 2193C – Environmental Sampling Techniques	4	EVR 2858 – Environmental Law	3
EVS 2015 – Writing for Science	3	EVR 2940 – Cooperative Work Experience – Environmental Science	3
EVS 2020 – Scientific Monitoring and Data Methods	3	EVS 2870C – Wildlife Ecology	4
- Humanities*	<u>3</u>	EVS 2601 –Hazardous Mat. And Environmental Air Quality	<u>3</u>
Total Semester Credits	16	Total Semester Credits	17
<u>Summer</u>			
EVR 1007 – Florida’s Environmental History			
EVR 2858 – Environmental Law (full online)			
EVR 2266 – HONORS Survey in Environmental Mapping/GIS (see Math Science Institute notation below)			
PCB2350C – Tropical Ecology (see class notation below)			

Options:

- Tropical Ecology during Summer A session to a foreign location i.e. Belize or Costa Rica www.palmbeachstate.edu/environmentalscience.xml
- Math Science Summer Institute (8 weeks) July to August – Honors GIS and Trigonometry class – FREE by scholarship www.palmbeachstate.edu/msi.xml
- Honors BSC 1050 option, also full online BSC 1050 option
- Some CCE classes for additional certificates offered throughout the year <http://www.palmbeachstate.edu/x465.xml>

*General Education Requirements

NOTE: It is **NOT** necessary to begin the program during Autumn (Fall) term, the above listing is a suggestion only. Most classes are taught in the evenings, at the Garden’s campus.
