

## How can College Relations & Marketing help you?

There are many ways to promote and publicize your program and/or event – internally and externally.

For an **external audience** – If your project targets the external community, submit your project ideas on this form.

For an **internal audience** (Palm Beach State staff and/or students) – If your project targets only members of the internal community, you may STILL use this form to utilize all of our services. If your project relates to classroom instruction, please contact [MTIS](#).

Please complete this form. Those using Acrobat Pro can fill it out online, save it and send as an attachment to CRM at [CRMarket@palmbeachstate.edu](mailto:CRMarket@palmbeachstate.edu). Those using Acrobat Reader will have to print the form and fax it to CRM at 561-868-3123. A CRM staff member will contact you to go over your request and discuss how we can customize your materials. You may check more than one type of project. Effective marketing and public relations plans usually include several pieces.

Project deadline (*Please allow as much time as possible and a minimum of a month's notice: 10 business days to complete your project and 10 business days for your project to be printed and delivered. Complex, multi-piece or multimedia projects will require longer lead time!*).
