

## Delta Omicron – FIVE STAR Membership Enhancement Program

**Name:** \_\_\_\_\_ **Phone Number:** \_\_\_\_\_ **Email Address:** \_\_\_\_\_

The Five Star Membership Enhancement Program is designed to allow students to become actively involved with chapter activities. Members do not need to complete the activities in any special order; however, to receive recognition for a level, all activities below and within that level must be completed. Members are asked to complete the information at the top of this form, return one copy to the Vice-President of Scholarship and keep another copy for their own records. This will serve as a check and balance for bookkeeping purposes.
