Palm Beach State College  
Lake Worth Campus Chapter

**Meetings: Every Monday @ 2:00 p.m. in SCC-154**

### **What is Phi Beta Lambda?**

Future Business Leaders of America-Phi Beta Lambda is a nonprofit 501(c)(3) education association with a quarter million students preparing for careers in business and business-related fields. Phi Beta Lambda is the largest non-profit student organization in the nation.

### **What are the benefits?**

PBL isn't just another student group—it gives members the opportunity to learn, **travel**, and grow as a business professional. Employers are looking for students with cutting-edge skills. PBL gives members the chance to gain these skills and prepares them for the "real-world" after college. In addition, partners offer thousands of dollars in **scholarships** each year.

### **What activities can I be a part of?**

FBLA-PBL sponsors **conferences** and seminars for members and advisers. These programs are designed to foster the development of business leadership skills. In addition, the Palm Beach State Lake Worth chapter participates in fun and exciting **events** on campus and serves the community by **volunteering** for several local organizations.

## **Words from the President:**

What if you could discover your passion, your potential, in one single opportunity, would you take it? I did, by joining Phi Beta Lambda (PBL). My name is Joanna Bejarano, and I am honored to be serving as your 2011-2012 President. Joining PBL continues to be an amazing journey. I am gaining knowledge of the real-world, learning new skills, achieving many goals, traveling, and building great relationships. PBL is a professional club that is open to all majors! So go beyond your limits; challenge yourself; break barriers; and reach your gateway to greatness by joining PBL, today!
