

# Green Institute at Palm Beach State College

Palm Beach State College's Green Institute is offering many new exciting courses to assist with your green job training. Whether you're looking for new career opportunities or needing to keep up with your current career, Palm Beach State College's Green Institute can help you!

Today's emerging green technologies provide new and exciting career opportunities. Join us and learn about solar energy and green building - photovoltaic systems, green building practices and other environmentally-friendly careers. Enroll today and benefit from a career in green that's in demand and makes a difference every day.

## What you'll learn...

- 💡 What is it to be green?
- 💡 How to become sustainable?
- 💡 Why should I get certified?
- 💡 Designing and Installing PV Systems
