

**PALM BEACH STATE
COLLEGE**

A BSN provides the registered nurse who has an associate degree in nursing an opportunity to advance their career goal. Palm Beach State's BSN will give the nurse the education and skills to fulfill a personal goal of becoming a Nurse Manager.

Courses will be offered online as well as partially in class. The BSN program consists of 11 courses and a capstone project with two clinical components:

1. Community
2. Leadership
