

**PALM BEACH STATE
COLLEGE**

Get hands-on experience serving those in need in Panama

- Experience geographical and physical contact with the Spanish language and culture
- Develop global awareness by gaining a sense of social, cultural and global responsibility
- Examine Panama's service structure and compare it to the United States
- Visit the Panama Canal, Isla Bastimentos and an indigenous community at Isla San Cristobal
- Participate in a service-learning project by helping fix up a local school, working with local indigenous children and teaching English

TRIP DATES: July 16-24, 2017

ESTIMATED TRIP PRICE: \$2,500

Space is limited to 15 students

International Education Center
