General Education Courses: AA degree students must meet all general education requirements as published in the catalog. All general education courses must be completed with a "C" or higher. Please see an advisor if you have any questions.

Elective Courses: AA degree students should select electives that support their program of study. Please see an advisor if you have any questions.

Notes:

FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

(1) UWF requires both CHM2210/2210L and PHY2053/PHY2048L and PHY2054/PHY2049L

(2) UWF Does not accept this course as a common prerequisite.

*Consult the UWF catalog or FACTS.org for additional requirements.
