

CLUSTER MINUTES
January 5, 2015
9:00 am – 12noon
Lake Worth Campus, DH105

ITEM 1. Follow-up on Academic Dishonesty policy.

Discussion: Cluster discussed status of the academic dishonesty policy. Dr. Van Der velde updated the cluster that all policies have been sent to General Counsel.

Data/data source: Dr. Van Der velde

Action: Cluster is waiting for General Counsel review of our academic policy.

ITEM 2. Health initiative scholarship update.

Discussion: Professor Haney's proposal was accepted to implement a scholarship for health and nutrition students who have made a behavioral lifestyle change. Cluster discussed ways of distributing of the scholarship funds. Use of our rubric to create criteria for scholarship application were discussed.

Action: Provide feed-back to Professor Haney on the implementation of the scholarship. Ideas will be discussed and application criteria will be outlined in the spring cluster meeting.

ITEM 3. Discontinuation of HSC 1010

Discussion: HSC 1010- Introduction to Developmental Concepts for Health Care Providers (AS) is a course for the Nursing program that has not been offered in several years. The nursing program does not require it anymore and have created other courses in lieu of HSC 1010.

Data/data source: Dr. Van Der velde

Action: Cluster unanimously voted to discontinue the course.

ITEM 4. General Education Common Assessment rubrics for HSC 2100 and HSC 1101.

Action: Professor Myslivecek will email edited rubrics for feedback and final approval will be completed at the spring development day cluster meeting.
