

Multi-Media Classrooms, Laboratories (Lab), Lecture Halls (Lecture), Video Conferencing Rooms (V.C.), Group Studies (Study) and Conference Rooms (Conf.)

Multimedia rooms are generally equipped with a computer, data projector, DVD/VCR player and overhead transparency projector. However, certain rooms also have Smart Sympodium panels and Elmo document cameras as noted below. Multimedia computers have Internet access and Microsoft Office Suite 2007. For additional software contact Campus Computer Resources/Help Desk at 561-868-3100. Training on the use of the data/video projection equipment is highly recommended. Visit Media Technology & Instructional Services in LL222 (second floor of the LLRC) or call 561-207-5815 for training. **Online Request** forms are available at www.pbcc.edu/mtis/pbg_mediarequest.asp

*To reserve a multimedia classroom, contact Sue Levine at 561-207-5401. This should be done well in advance of the term.
Thank you!*
