

How to...Run a degree Audit!

A degree audit is a useful tool to know where you are in your program and how many more classes you need to take. You can run a degree audit in a few easy steps!

| | | |
|-------------------------------------|---|---|
| <p>1 Click on PantherWeb</p> | <p>2 Sign on to PantherWeb</p> <p>Password Required</p> <p>Student ID: <input type="text"/> Use your Student ID or Social Security Number: 9 characters without "-" or "spaces"</p> <p>PIN: <input type="text"/> Use the PIN you normally use for registration. PIN is between 4 and 6 digits long.</p> <p><input type="button" value="Logon"/></p> | <p>3 Go to the Advising Tab, select "Display degree audit"</p> |
|-------------------------------------|---|---|

PantherWeb will display a degree audit with your program objective (major), and how your courses satisfy each area of the degree:

Welcome John Q. Student

```
