C. Receipt of SNAP Benefits

The signer(s) below certify that a member of the student’s household received benefits from the Supplemental Nutrition Assistance Program or SNAP (formerly known as the Food Stamp Program) sometime during 2012 or 2013.

A dependent student’s household includes:

- The student;
- The parents (including a stepparent) even if the student doesn’t live with the parents;
- The parents’ other children if the parents will provide more than half of their support from July 1, 2014, through June 30, 2015, or if the other children would be required to provide parental information if they were completing a FAFSA for 2014-2015. Include children who meet either of these standards even if the children do not live with the parents;
- Other people if they now live with the parents and the parents provide more than half of their support and will continue to provide more than half of their support through June 30, 2015.

An independent student’s household includes:

- The student;
- The student’s spouse, if the student is married;
- The student’s or spouse’s children if the student or spouse will provide more than half of their support from July 1, 2014, through June 30, 2015, even if the children do not live with the student;
- Other people if they now live with the student and the student or spouse provides more than half of their support and will continue to provide more than half of their support through June 30, 2015.

Note: If we have reason to believe that the information regarding the receipt of SNAP benefits is inaccurate, we may require documentation from the agency that issued the SNAP benefits in 2012 or 2013.

Check appropriate box:

- [ ] SNAP benefits were NOT received by a member of the household.
