Information Session for the January 2016 application period will be in an electronic format that students can attend online through our PCA program website. The electronic information session will be posted on this PCA program link by September 22, 2015.

- Students will be required to complete a Session Quiz at the end of the session and submit it with their PCA entrance packet.
- Students MUST receive a 100% on the quiz in order to receive credit for taking the MANDITORY session.

Supplemental LiveChat sessions with Ms. Sherrill will be made available after September 22nd on Tuesdays between 2:00pm-4:00pm. Any canceled session will be posted on the PCA website. These sessions are optional and designed to answer any questions that students may have from the electronic information session.
