Aeronautical Science Programs
2014-2015 Flight Training Orientations

Attendance at one orientation session is **MANDATORY** for all incoming students enrolled in:

**Professional Pilot A.S. Degree** (Airplane 2197A / Helicopter 2197H) or

**Commercial Pilot College Credit Certificate** (6164A Airplane/6164H Helicopter)

The purpose of the orientation is to verify your documentation for compliance with FAA and TSA regulations. In addition, we’ll give an overview of the training procedures and technologies used in the programs. You’ll be able to speak with faculty and ask questions. Before the session, please read the **Student Advisory Guide** posted on our website [www.palmbeachstate.edu/programs/Aeroscience](http://www.palmbeachstate.edu/programs/Aeroscience)

Bring the following **ORIGINAL** documentation with you. Verification of original documents is required for admission. Copies will not be accepted.

- Palm Beach State College Panther Card
- Proof of U.S. Citizenship (unexpired US passport or birth certificate and gov’t issued picture ID) **OR** TSA approval (non-U.S. citizens), Resident Alien Card or Visa, and foreign passport
- FAA Medical

Students seeking the Associate of Science degree, verification of MAC1105 eligibility will be checked at this Session.

**Be prompt, door is locked once session begins- Registration Not Required**
