**Fees & Appointments**

The fees are less than private practice (approximately one-half) and payment is due upon services being rendered.

Clinical procedures performed in our facility are done so by licensed dentists from our community.

Appointments can be made by calling (561) 868-3747. Please call for appointment times.

We are a teaching institution, and all appointments are expected to last approximately 2-3 hours, sometimes with multiple appointments necessary.
