Power Point is a GREAT tool for our visual learners. It’s been around for more than 20 years. But there is another resource – PREZI. Gives you another option to produce interesting, eye-catching, and visually pleasing presentations. A nice change from the traditional PPT. Learn how easy it is to create a DIFFERENT visual presentation.

Tuesday, April 26
11:00 am – 12:00 pm in HT 102

Presented by: Megan Tomei-Jameson
