Percy Jackson, who for years has felt like a misfit, is about to be kicked out of boarding school...again. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of his Greek mythology textbook and into his life. It seems Zeus's master lightning bolt has been stolen and Percy is the prime suspect. Percy has ten days to find and return Zeus's stolen property and bring peace to a warring Mount Olympus. To succeed on his quest, Percy will have to do more than catch the true thief; he must also come to terms with the father who abandoned him. Adapted from the book *The Lightning Thief* by Rick Riordan.
