

## PILOBOLUS' Shadowland

**Friday & Saturday, February 16 & 17, 2018 @ 8PM**

Created by famed dance company Pilobolus, *Shadowland* is a first-of-its-kind performance combining legendary modern dance with high-energy, fast-paced multimedia, merging front-of-screen choreography with projected images and moving screens of different sizes and shapes.

*Shadowland* tells the story of a teenage girl, longing for her independence, with nowhere for her thoughts to go but to her dreams. She sleeps, only to wake to something incredible lurking behind her bedroom wall – her shadow. Walls spin, darkness swallows the girl, and she's off on a journey into *Shadowland*.

*Shadowland* was conceived in collaboration with Steven Banks, lead writer for the playfully surreal animated series "SpongeBob SquarePants," and is propelled by a rhythmic original score by the popular American musician, producer and film composer David Poe. *Shadowland* has the fluid logic of a dream powered by the grace of an acrobatic dance, evincing surprise and joyous delight in a way that is uniquely Pilobolus.
