REQUEST TO CHANGE PROGRAM OBJECTIVE

Changing your program is an important decision. We encourage you to research a new program before requesting a change. Review the admissions and financial aid information, academic program, and graduation requirements. If the program is a limited access program, make sure you understand the selection process and requirements.

After your review, please record the program code. You will need it to request a program change.

Where are program codes listed?

Follow these steps to find a program code:

1. Go to the college catalog by clicking the Catalog Handbook link in the college navigation.

2. On the catalog page click the link named “Program & Degree Listing found in the yellow navigation on the left.

3. Select your desired program by searching for the name of the program alphabetically.

The program code is the code that is found on the right of the program name in parenthesis.

Please Note: The code for Associate in Arts (Transfer Degree) is 1000
