Happiest and Unhappiest Jobs

When we work with students who are trying to decide what career path to choose, they most often state that they want to find the career that will make them the happiest. Careerbliss.com has used statistics and employee surveys to rank the five happiest and unhappiest careers:

**HAPPIEST**

#1 Real Estate Agent  
#2 Sr. QA Engineer  
#3 Sr. Sales Rep.  
#4 Construction Super.  
#5 Application Developer

**UNHAPPIEST**

#1 Associate Attorney  
#2 Customer Service Assoc.  
#3 Clerk  
#4 Registered Nurse  
#5 Teacher

--

**Tips to Build Job Interview Confidence**

1. Research the organization  
2. Find sample interview questions  
3. Practice answering questions aloud  
4. Develop some of your own questions to ask  
5. Schedule a “mock interview” with the Career Center!
