GENERAL CLASS AND COURSE INFORMATION

Course Number: NUR 1023HY  
Class Reference Number: Multiple  
Term: 2013-2

Course Title: Nursing I  
Credit/Contact Hours: 4 Credits/4 Lecture Hours

Course Description:
Introduces nursing as a holistic profession, which cares for and supports wellness for one's self and others across the lifespan. At the completion of this course the student will have acquired a variety of "tools" for providing nursing care by utilizing five concepts of human functioning. They are: oxygenation, cellular integrity, regulation, sensory/perception/cognition and mobility. This is accomplished through the creation of "learning environments" which honor and maximize student learning styles. Special fee required.

Course Learning Outcomes: As a result of taking this course, the student will be able to:

1. Utilize historical and theoretical aspects of the nursing profession to explore its evolution.
2. Maintain the standards of professional accountability, responsibility and ethical standards.
3. Identify the concepts embodied in Palm Beach State College’s conceptual framework of Imogene King’s “Theory of Goal Attainment.”
4. Utilize the five-step nursing process to plan for and provide holistic nursing care to clients with actual or potential health problems across the lifespan.
5. Develop a nursing knowledge base by utilizing the five concepts of human functioning.
6. Utilize critical thinking skills when applying the five concepts of oxygenation, cellular integrity, regulation, mobility and sensory/perception/cognition in the care of clients in acute and community settings.
7. Utilize principles of teaching/learning, nutrition, pharmacology, communications, human growth and development and cultural diversity in the application of the nursing process.
8. Apply a variety of effective communication techniques addressing the personal, interpersonal and social systems of the client, their families and health team members.
9. Compare and contrast health as it relates to maintaining wellness of self, the individual and family in the ever-changing healthcare delivery system.
10. Participate in the pre-professional organization, Nursing Student Association (NSA), as a means of transition into the profession of nursing.

CLASS REQUIREMENTS
Course Syllabus – Hybrid Courses

Assignments: Students who are actively involved in their learning are more successful. Students are expected to complete all class work and homework, participate in structured class discussion and attend all classes. Homework will include assignments given by the individual instructor(s) and utilization of the Evolve computer learning package.

Class participation grade (10%) will be determined as follows:

1. Evolve:
   a. Complete a minimum of 50% of the case studies in Fundamentals as assigned.
2. Homework:
   a. Complete as assigned daily
3. Attendance:
   a. As verified by signature sign-in record (includes classroom attendance and participation).
4. Wellness Paper:
   a. See requirements and grading rubric for details.

Recommended weekly activities: read the textbook chapters first; then review the online power points, attend class and review NCLEX questions available online (use the link for the textbook) at the end of each assigned chapter. Utilize the “Critical Thinking Checkpoint”; “Chapter Highlights”; “Test Your Knowledge”; and “Explore Media Link”, as provided by the publisher.

Late Assignment Policy: Late assignments are not accepted unless prior arrangements have been approved by the instructor.

Grading Scale & Policy: All students must receive a passing grade in each of the Semester 1 Nursing Courses in order to proceed to the second semester. The following courses are considered Semester 1 courses:

- NUR 1023
- NUR1023L
- NUR1022L
- NUR1141 or NUR 2140

Nursing Department Grading Scale and Policy: for Theory/Lecture Classes

- 90-100 = A
- 83-89 = B
- 75-82 = C
- Below 75 = F

Standardized testing administered in each course will count as part of the total grade for that course.

In order to pass the course the student must complete the following requirements:

Achieve a combined average of 75% on course exams including the comprehensive final and the Specialty exam prior to adding in the class participation points.

If the student fails the course, remediation will be accomplished through course repetition.

Participation will be calculated as follows:

a. 25% for homework as assigned
b. 25% for wellness paper
c. 25% for Evolve case studies and practice test as assigned
d. 25% for attendance as verified by signature sign-in record. Any student who has not signed in will be considered absent for that lecture date.

Make-up Exam Policy: Please see Nursing Student Handbook for standard Nursing policy related to Essay Make-up Exams.

CLASS POLICIES & METHODOLOGY

Attendance: Professors are required to take attendance. Students are required to sign into each lecture, on the record provided, as they enter the classroom to verify their attendance. If the student does not sign the record they are considered absent for that class.

All students are expected to attend all classes and clinicals/labs. In the event of an absence due to extenuating circumstances, the student is expected to notify the appropriate faculty member.

Electronic Device Use: Laptops and Hand-held devices are allowed in class for note-taking purposes, only. The use of Hand-held devices that are iPod capable are encouraged to facilitate downloadable information as learning strategies and study tools. Audio taping of faculty lectures is encouraged, however videotaping is prohibited. Cell phones must be turned off in class and are prohibited in the campus Testing Centers.

Email Policy: All students have access to a college email account. It is the responsibility of the student to activate this account in order to be kept current with college, program and course information. College email must be checked at least twice weekly. This course has a web component that has email within the course. Course email should be used for all course-related communications with faculty. Faculty will contact students via college and course email.

Equipment & Supplies: Required text books; access to a computer with active Internet service; word processing and printing capabilities are essential to be successful in this class.

Professor’s Expectations: The student will observe “Netiquette”; will read the assigned chapters; and will make an appointment with the faculty member at the first indication of a test grade below 75%.
Course Syllabus – Hybrid Courses

Faculty Mentoring:
Mandatory face-to-face appointment must be made with your assigned Faculty Advisor to review your portfolio and ensure completion of program requirements. Please bring a current copy of your Unofficial Transcript, the Graduation Audit, and your Portfolio to the appointment. Individual appointments may be made by students or faculty to discuss academic progress.

Methods of Instruction:

1. Selected reading
2. Lectures
3. Demonstrations
4. Discussions
5. Audiovisuals
6. Interactive video software programs
7. Computer-Assisted Instruction
8. Student lead presentations
9. Student group work
10. Journal Articles
11. Study Guides
12. Interactive Educational Activities
13. Internet – Blackboard Learning System
14. Critical Thinking Exercises
15. Simulations

Evaluation Methods
1. NCLEX formatted computer exams designed to measure knowledge, application, and nursing judgment and critical thinking ability.
2. Specialty exam
3. Class participation

STRATEGIES FOR SUCCESS FOR NURSING STUDENTS:

1. Read and plan in advance
2. Attend all classes
3. Utilize resources currently available
   a. Media Technology Services, Student Learning Center, Learning Groups
   c. Obtain a peer tutor or join a study group to assist with study techniques
   d. Schedule an appointment with your advisor to review your Evolve case study results
4. Study groups:
   a. Form a group for serious study time, all members must come prepared.
   b. Utilize the strengths of all group members.
5. Visual learners
   Take notes, recopy notes, take notes from text, and merge them!
6. Auditory learners
   Tape lectures, listen again, and discuss material with peers.
7. Do not procrastinate: Especially when it comes to studying, and/or reading.
8. Look at the “BIG PICTURE”
   Do you have the commitment to success? How many hours are you working? What are your other life commitments? Are you neglecting your personal wellness? Have you studied effectively? Have you spent quality time with your loved ones?

Unique Requirements of the Class: This course has an Internet web component located at: eLearning - Blackboard Campus. To pass the course, you must be able to access this component web site. The web site will be available three days prior to the start of the semester. Your password will not work until that time. It is the student’s responsibility to have accessed this site no later than the semester start date.

The web site has a security system which requires a Sign on and a Password. Only registered students will be able to access the course.

COLLEGE POLICIES AND WEB INFORMATION

Academic Dishonesty

Academic dishonesty includes the following actions, as well as other similar conduct aimed at making false representation with respect to the student's academic performance: (1) Cheating on an exam, (2) Collaborating with others on work to be presented, if contrary to the stated rules of the course, (3) Submitting, if contrary to the rules of the course, work previously submitted in another course, (4) Knowingly and intentionally assisting another student in any of the above actions, including assistance in an arrangement whereby work, classroom performance, examination, or other activity is submitted or performed by a person other than the student under whose name the work is submitted or performed, (5) Plagiarism.

Please refer to the Palm Beach State College Student Handbook for further information.

Classroom Etiquette and Student Behavior Guidelines

Students will demonstrate respect for professors and fellow students. Behavior that is disruptive to a positive learning environment reported by the professor will result in a warning on the first instance; the second instance might result in expulsion from the course or campus.

Computer Competency Component

Each student will, to the satisfaction of the instructor, demonstrate a fundamental understanding of basic computer operations through various instructor-determined exercises and/or assignments. These exercises/assignments are included in this syllabus.

Disability Support Services

Students with disabilities are advised, in compliance with federal and state laws, that accommodations and services are available through the office of Disability Support Services (DSS). It is the student's responsibility to contact Disabled Student Services Advisors and to submit appropriate documentation prior to receiving services.

Eating, Drinking and Smoking

Eating and drinking are confined to areas designated on the campus. Smoking is not permitted in any College building and only in areas designated at each campus.

Student Responsibility Policy

When a student attends the College, s/he becomes subject to its jurisdiction. Students are expected to conduct themselves in a responsible manner, in all areas of campus life. By enrolling, they pledge to obey the rules and regulations of the College and are responsible for observing all College policies and procedures as published in the student handbook, the College catalog and other College publications. The student will be responsible for preparing for class, participating in class, and completing assignments on time.

Palm Beach State College Websites of Interest

Withdrawal Policy for Individual Courses: The last day to withdraw from a College course with a "W" grade is posted on the Academic calendar. It is the responsibility of the student to use the PantherWeb system or visit a campus Registrar’s office to withdraw. Without a formal withdrawal from the courses,
Course Syllabus – Hybrid Courses

lack of attendance will result in failure. An official withdrawal entitles the student to a grade of "W" in the class. Withdrawal or lack of participation in even one nursing course (NUR 1023, NUR 1023L, NUR 1022L, or NUR 1141 or NUR 2140) will result in being removed from all the nursing courses as all nursing course are to be taken concurrently.
