Outstanding transfer students from PBCC nationally recognized

(November 14, 2002 – Lake Worth, FL) Six graduates of Palm Beach Community College have been listed in the **College Board's Talent Roster of Outstanding Transfer Students** from Community Colleges.

Jaelean Carrero of North Palm Beach, Heather DeYoung of Palm Beach, Karen Pain of West Palm Beach, Willie Rhymes, Jr. of West Palm Beach, Consuelo Villalba of Ft. Lauderdale and Amber Whatley of Lake Worth were nominated by PBCC music professor Allen Webber.

The College Board's **Talent Roster** program provides national recognition to exceptionally talented community college transfer students. Students are nominated by their community colleges based on the student's grade point average, which must be 3.0 or above, and must have the intent to pursue a baccalaureate degree. The roster is released to four-year colleges and universities to encourage them to seek out these talented students as potential candidates for admission.

Founded in 1900, the College Board is a nonprofit membership association of schools, colleges and other educational organizations.
