FOR IMMEDIATE RELEASE

PBCC students make All-Florida Academic Team

(May 5, 2004 – Lake Worth, FL) Seven students from Palm Beach Community College have been named to the All-Florida Academic Team in recognition of their academic excellence. Florida is one of 32 participating states in the competition. First-team member is Noah Matilsky from Boca Raton. Second-team members are Christine Frasier and Angela Vickers, Lake Worth; Leah Sharrock and Rachael Tocco, Palm Beach Gardens; Amanda Sweringen, Belle Glade; and Elena Webb, Boca Raton.

The competition, which is recognized all over the country, increases students' chances for scholarships to continue their education at a university. The All-Florida Academic Team Competition is sponsored by USA Today, Phi Theta Kappa Honor Society and the American Association of Community Colleges. The 127 Florida students that make up the team are chosen for excelling academically, demonstrating intellectual rigor in their course of study, showing academic growth and potential, using their two-year college education to better themselves, their schools and their communities, showing a volunteer record and demonstrating excellent leadership abilities.

The All-Florida Academic Team was recognized in Tallahassee in March.
