Nationally recognized UM art professor Christine Federighi to exhibit recent works

(Palm Beach Gardens, Aug. 23, 2004) Ceramicist Christine Federighi, an art professor at the University of Miami since 1974, will display recent sculptural works in an exhibit titled "Landscape Journey" at The Gallery at Eisey Campus, Palm Beach Community College at Palm Beach Gardens.

The exhibit opens Sept. 6 and closes Oct. 1. The Gallery at Eisey Campus is located in the BB Building, Room 113, at Palm Beach Community College, 3160 PGA Blvd. Gallery hours are 9 a.m. to 3 p.m. Mon.-Fri. and 3 p.m. to 8 p.m. Thurs. Call (561) 207-5015.

The exhibit will include spiral clay figures and sculptures composed of carved, painted spheres that represent "good cells" that the artist visualizes during her battle with cancer. She has exhibited her work in numerous galleries and exhibitions across the United States for the last 30 years and has been featured in many publications.

"The exhibition includes ceramic sculpture based on themes of the figure with the landscape--various external and internal places that reveal the poetics of self," Federighi explained.
