

Palm Beach State to host open house for Trade and Industry programs

(Lake Worth, Fla. – June 2, 2010) Palm Beach State College is hosting an open house to highlight in-demand trade and industry training programs, June 16 from 6 to 7:30 p.m. in the lobby of the Education and Training Building A, Lake Worth campus, 4200 Congress Ave.

Guests can get information and talk with instructors in the building trades apprenticeships, welding, machining, heating, ventilation and air conditioning, cosmetology, aeronautical science and industrial management technology programs. Information will also be available on the Associate in Science degree in Sustainable Construction Management and College Credit Certificates in Drafting for Sustainable Construction and Sustainable Building Specialist.

In addition, Corporate and Continuing Education staff will be on hand for attendees to learn about course offerings in water/wastewater treatment, green building initiatives, solar installation and more.

This event is free and open to the public. For details, contact Diane Hess at hessd@palmbeachstate.edu or 561-868-3805. For more information on trade and industry programs, visit <http://www.palmbeachstate.edu/TradeAndIndustry.xml>.

Serving more than 50,000 students annually, Palm Beach State College is the largest institution of higher education in Palm Beach County, providing the bachelor's degree, associate degrees, professional certificates, career training and lifelong learning. Established in 1933 as Florida's first public community college, it offers more than 100 programs of study at locations in Lake Worth, Boca Raton, Palm Beach Gardens and Belle Glade.
