

History Cluster MEETING MINUTES
Thursday, March 22, 2012
1:30PM-4:00PM
SS106

ITEM 1. Cluster reconsidered original request (10/27/10) for the proposed course LAH 2022—Latin American Republics. This course is now proposed as a 1000 level course, LAH 1000 History of the Americas.

Discussion: The value of 1000 level courses at PBSC was discussed, since this change is significant. Diversity issues were raised vis-à-vis the Boca Raton campus. Concerns remain regarding student confusion regarding general education and elective offerings.

Middleton and Cuan cite declining enrollment, transferability and possible duplication with FAU as rationale to wait. Smith and Dillon wish to go ahead with presentation of LAH 1000 at Boca Campus to curriculum committee.
