ITEM 1. Publisher Presentation

Presentation by McGraw Hill of Connect 2.0, their personalized on-line learning program.

Discussion: We all felt that it had its positive points, but further evaluation is needed. Some are interested in possibly piloting the program in the near future.

Data/data source: (where appropriate)

Action: To be discussed further.

ITEM 2. New English rubric

Discussion: The new English rubric for ENC0025, EAP 1684, and ENC 1101 is being slowly introduced into use. It is agreed that it is working as is, but can also be adapted to individual classroom needs, especially when on-line sites are being used.

Data/data source: (where appropriate)

Action: It will continue to be evaluated by faculty for success.

ITEM 3. BLACKBOARD

Discussion: Promoting the use of Blackboard in all developmental writing courses at some time in the near future.
