### **ITEM 1. A/S Accounting Program Curriculum Changes**

**Discussion:** Professor D'Agati led a review of the proposed curriculum changes to be presented to the Curriculum Committee in January. The Accounting Cluster had been informed that we needed to lower the number of credit hours included in the A/S Accounting degree from 64 to 60. This proposal, if approved, achieves that goal.

**Data source:** N/A

**Action:** The Cluster thanked Professor D'Agati for preparing and presenting the Cluster proposal.
