Student Training in Technology Assessment Report

Assessment of Student Training in Technology for AA, AS, PSAV, ATC and ATD Programs

Academic Affairs 2017-2018
Introduction

As part of Palm Beach State College’s program review process, student training in the use of technology is assessed. An assessment form is sent to program administrators and faculty which asks them to assess how technology is used in each program and where technology is embedded in the coursework.

Analysis

A review of the forms reveals that every program offered by the College has student training in the use of technology. This use is documented for both hardware and software used to achieve student learning outcomes.

Use of Results for Improvement

Academic Services compiles the surveys and creates a report which is posted to Academic Affairs Policies and Documents web page. Each Palm Beach State program documents the student training in their use of technology. The documentation shall consist of the technology hardware and software used in the program and which courses in the program have embedded training in the use of technology.
Q1. STUDENT TRAINING IN TECHNOLOGY SURVEY

Please provide information about your program for the items requested below. When completed, please press the SUBMIT button on the form.

Q2. Program Name:

30 Hour Family Child Care Certification

Q3. Award Type:

☐ BS  
☐ BAS  
☐ AA  
☐ AS/CCC  
☐ PSAV  
☐ ATD  
☐ ATC

Q4. Types of Technology used in the program (hardware) - Please check all that apply

☐ Computer (Mac or PC)  
☐ Tablet Computers  
☐ Scanners  
☐ Server/Network  
☐ Medical Equipment  
☐ Video/Audio Equipment  
☐ Calculators  
☐ Telecommunications (telephone, 2 way radio, etc.)  
☐ Printers/Plotter  
☐ 3D Printers  
☐ Digital Cameras  
☐ Scientific Equipment  
☐ Computerized Fabrication  
☐ Apparatus (Truck/cars)  
☐ Other (please specify) ____________________

Q5. Types of Software Programs used in the program:

☐ Microsoft Office  
☐ Open Source Software  
☐ Programming Language  
☐ Medical-related  
☐ Science-related  
☐ Accounting/Business  
☐ Simulation Software  
☐ Web design/Programming  
☐ Video/audio editing
Q6. What courses in your program provide the student with training in technology (please list):
