

CLUSTER MEETING MINUTES
English for Academic Purposes

3/24/16
1:30-3:30
BA303

ITEM 1. Textbook Affordability

Discussion: All textbooks should be available for rent. Cluster purposely chooses texts that are relatively inexpensive.

Data/data source: (where appropriate)

Action: Communicate with bookstores about making our textbooks available for rent.

ITEM 2. Developing EAP Policies

Discussion: The cluster would like to see college wide policies regarding EAP students developed and articulated through the college catalogue. Areas of importance include identification of EAP students at admission, testing, placement, and advising. Creating a clear pathway would benefit student success as well as guide various departments at the college.

Data/data source: (where appropriate)

Action: Cluster will request a meeting with President Parker.
