

**Nutrition Cluster MEETING MINUTES**  
**March 26, 2015**  
**1:30-3:30 pm**  
**Lake Worth Campus**

---

**ITEM# 1. Embedded Assessment for General Education**

Discussion: We discussed and reviewed the General Education Embedded Assessment Results, as reported in fall 2014. We discussed the competency benchmarks used in our cluster and our plan for administering the fall 2015 assessment.

Data/data source: General Education Embedded Assessment Results, Fall 2014 and updates, Spring 2015.

Action: Dr. Judith Sharlin, Cluster chair, will submit the form necessary for the Spring 2015 updates.

**ITEM #2 Nutrition Textbook Selection**

Discussion: We discussed changing textbooks and the options involved in adapting the 14<sup>th</sup> edition of Whitney/Rolfes Understanding Nutrition.

Data/data source: Whitney/Rolfes, Understanding Nutrition (14<sup>th</sup> edition, 2016).

Action: We voted unanimously to adapt the new textbook for Fall 2015 through Summer 2017.

**ITEM #3 Embedded Assessment Uniformity**

Discussion: We discussed the results of the embedded assessment and the adjunct faculty results compared to full-time faculty

Data/data source: General education embedded assessment results, fall 2014

Action: Department Chairs will advise Adjunct faculty to report embedded assessment results
