## APPEAL OF 3<sup>rd</sup> ATTEMPT FULL COST OF INSTRUCTION TUITION

**PLEASE READ CAREFULLY** (*only for courses for which an insufficient grade was received*)

Florida Statutes place responsibility for the full cost of instruction (out-of-state tuition) on the student after the second attempt of a course. The legislation also provides students the opportunity to appeal for a one-time exception, per course, to the increased fees for cases involving major extenuating circumstances beyond the student's control. Such circumstances include, but are not limited to:

- serious illness;
- documented medical condition preventing completion;
- death of an immediate family member (father, mother, sister, brother);
- involuntary call to active military duty;
- documented learning disability;
- English as a second language background;
- documented change in conditions of employment; and/or
- other emergency circumstances or extraordinary situations (such as national disasters).

Also, students may appeal the increase in fees based on financial hardship. The criteria for determining financial hardship shall include, but not be limited to, qualifications for federal need-based financial aid. All appeals are considered on an individual basis.

**Note: NO APPEALS will be considered AFTER the last day of add/drop.**

Documentation of emergency, extraordinary situation or financial hardship is required.
