

Business Partnership Council Meeting Minutes

Department of Ophthalmic Medical Technology

October 26, 2017

6:00 – 7:00 p.m.

Bioscience Technology Complex

Call to Order

Introduction and Welcome Mark McKay L.D.O.

Old Business: None

New Business:

ITEM #1 *Review* of Minutes from Last Meeting

Discussion: No Corrections

Action: None

ITEM #2 *Recruitment*

Discussion: The class of 2019 consists of ten students although the program can accommodate 15 students. Kerri suggested that the college devote space on the PBSC website to the benefits of the profession, including 100% placement in the profession after graduation. Ryan stressed the advantages of graduating from the program debt-free, a healthy work environment with competitive salary and benefits, and a suggestion that the program be placed on Instagram. Kathy suggested contacting the medical magnet program at the Lake Worth high school in order to recruit high school students or dual-enrolled students. Kerri and Chelsea also proposed promoting our program at Jupiter High School. Lastly, it was suggested that IJACPHO could promote the school on their website.

Action: None
