

PBSC FIND *Your* PATH

Undecided? You want a career, but you don't know yet what you want to do. No worries. PBSC Find Your Path will help start you on the right track.

GET ON TRACK > CAREER PATHWAY:

INDUSTRY, MANUFACTURING AND CONSTRUCTION

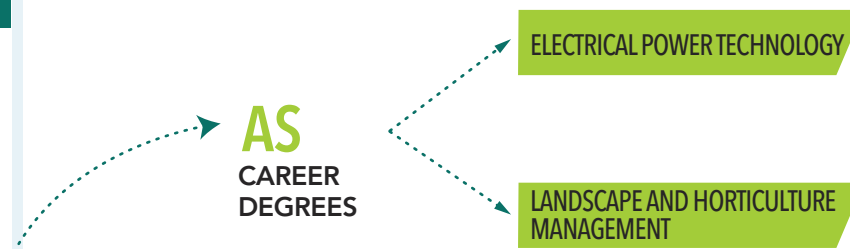

Build a powerful career with room to grow. PBSC offers two types of associate degrees, featuring a range of pathways. The Associate in Science career degrees prepare you for immediate employment, while providing transfer options. An associate degree may allow you to earn marketable certificates along the way.

1
TERM

Term 1 is designed to include courses that will set a foundation for success and allow you time to explore and decide what path is best for you.

	GEA1000 Principles of Geography & Conservation*		→		<input type="checkbox"/>
TOTAL CREDITS		12			

*For AS Degree in Landscape & Horticulture Management ONLY

Milestone Courses:

Take these courses in the proper order. They are the first priority for this pathway.

Micro-credential (or certificate) is earned in a course to verify and attest that specific skills and/or competencies have been achieved.

Connect with your advisor: It is critical to see an advisor to help select courses for this pathway. Make regular appointments to keep on track.
