Course Description:

Instructor: Beau Cisco: Seen on Police1.com

This five day workshop is designed to give the student an overall understanding of body language, personality differences, and deception. The class combines lecture, video presentations, and field exercises into a well-rounded understanding of the subject.

The student will also learn how to detect when someone is untruthful from a body language standpoint. This class will also focus on articulating observations in reports and making them court defensible.
