

PBSC FIND *Your* PATH

Undecided? You want a career, but you don't know yet what you want to do. No worries. PBSC Find Your Path will help start you on the right track.

GET ON TRACK > CAREER PATHWAY:

SCIENCE, TECHNOLOGY, ENGINEERING AND MATHEMATICS

See where STEM can take you. PBSC offers two types of associate degrees, each with a choice of cutting-edge career pathways. The **Associate in Arts transfer degree tracks** align to university requirements to give you a smooth transition into a bachelor's degree program. The **Associate in Science career degrees** prepare you for immediate employment, while providing transfer options. Some associate degrees allow you to earn marketable certificates along the way.

1 TERM Term 1 is designed to include courses that will set a foundation for success and allow you time to explore and decide what path is best for you.

Milestone Courses:

Take these courses in the proper order. They are the first priority for this pathway.

Micro-credential (or certificate) is earned in a course to verify and attest that specific skills and/or competencies have been achieved.

Connect with your advisor: It is critical to see an advisor to help select courses for this pathway (such as Computer Science, Math or Science). Make regular appointments to keep on track.
