

Week of May 28th–June 1st		Week 4			
Day:	Date:	Time in:	Time out:	Number of hours:	Description of tasks:
<b>Monday</b>					
<b>Tuesday</b>	5/29/2012	1:00 PM	6:15 PM	5.25	Gridded microArray slides for customer QC report. Began transferring data for customers.
<b>Wednesday</b>	5/30/2012	12:45 PM	6:15 PM	5.5	Received customer samples and finished transfer of customer data.
<b>Thursday</b>	5/31/2012	1:00 PM	6:00 PM	5	Performed a pre-hybridization of a microArray slide for hybridization.
<b>Friday</b>	6/1/2012	12:45 PM	6:30 PM	5.75	Shadowed cDNA purification w/ magnetic beads. Uploaded data onto UCSC database. Gridded microArray slides. Shipped out files to customers and received customer samples.
<b>Total Hours</b>				21.5	

Week of June 4th–June 8th		Week 5			
Day:	Date:	Time in:	Time out:	Number of hours:	Description of tasks:
<b>Monday</b>					
<b>Tuesday</b>	6/5/2012	1:00 PM	6:00 PM	5	Sample/reagent intake and inventory them. Gridded microarray slides.
<b>Wednesday</b>	6/6/2012	12:45 PM	5:45 PM	5	Shadowed an SPIA cDNA purification. Shadowed an RNA Isolation for gene expression microarray. Prepared a 2% anative agarose gel.
<b>Thursday</b>	6/7/2012	1:00 PM	6:00 PM	5	Stained the 2% agarose gel from 6/6/2012. Performed a prehybridization of microarray slides. Prepared and loaded cDNA samples onto a 2% gel (also prepared).
<b>Friday</b>	6/8/2012	1:00 PM	7:00 PM	6	and loaded cDNA samples. Researched parts/equipment for the lab.
<b>Total Hours</b>				21
