Introduction

The Fee Schedule is comprised of tuition, lab fees, material usage, fines, penalties, rental fees and a variety of other services. Fees are charged according to Florida Statutes, Chapter 1009 (et al). Some fees are informational and presented for the convenience of clients, such as clinical fees collected by third parties.

The Vice President of Administration and Business Services, or designee, compiles an annual listing of fees. This includes fee changes, additions and/or deletions which are then presented to the District Board of Trustees. The College always reserves the right to make any changes or adjustments to the current fee schedule to cover use or costs. Changes to the approved Fee Schedule will be implemented after a memo recommending the change, along with the appropriate support, is forwarded to and approved by the Office of the Vice President of Administration and Business Services.

Fees for continuing workforce education shall be locally determined per Florida Statute 1009.22(b). Expenditures for the continuing workforce education program provided by the College must be fully supported by fees. Fees charged for Recreational and Leisure, which is a sub-function classification of non-credit courses and are designed to provide recreational or leisure-time activities are also determined locally. Course additional fees are charged to cover costs of the program.

Admissions/Registration

Registration

Application Fee (one-time fee)	\$40.00
Application Fee - International Student (one-time fee).....	\$75.00
Limited Access Admissions Fees.....	\$20.00

Fines, Penalties & Other

Fines & Penalties

Returned Checks

Returned check fees are comprised of the current bank service fee for returned checks plus the amount allowed by law; Palm Beach State College returned check fees are as follows:

- Checks under \$50.00 will be charged\$25.00
- Checks from \$50.00 - \$299.99 will be charged\$30.00
- Checks from \$300.00 - \$800.00 will be charged\$40.00
- Checks over \$800.00 will be charged 5% of the check amount

Collection Agency Costs

If debts are not paid in full, they will be referred to an outside collection agency. Collection costs will be added to the original debt. Any student, customer, or agency must pay these collection costs, as well as any attorney's fees, if applicable. All unpaid debts will result in a hold which prevents class registrations, the issuance of diplomas and/or transcripts.

Security

- iPads and Video games.....\$5.00 per day

Note:

Maximum overdue fine for regular & 7-day circulating item is \$10.00.

Maximum overdue fine per reserve room items is \$100.00.

Maximum overdue fine for scientific calculators is \$30.00.

Maximum overdue fine for graphing calculators is \$100.00.

Maximum overdue fine for Laptops is \$200.00.

Lost/Damaged Materials

- Cost determined by Library Staff. The cost will not exceed the replacement value of the material plus a \$2.00 processing fee.

Users will be assessed a fine equal to the replacement cost of any item that is lost, stolen, or not returned. This includes, but is not limited to, books, cables, calculators, cases/slip covers, DVDs, eReaders, iPads, and laptops. Damage charges will be assessed based on actual repair cost.

All fines will be attached to the student's library record and may result in registration restrictions or non-release of transcripts.

Disclaimer Boca Campus:

Boca Campus students use the Florida Atlantic University library and are subject to their fees.

Campus Facilities Fees

Rental Fees

Any organized group which uses College facilities and/or property must have liability insurance coverage. This coverage must be provided by the requesting group/organization in one of two ways:

1. A certificate of insurance evidencing Property coverage in the minimum amount of \$50,000, Worker's Compensation coverage as per Florida Statutes and General Liability coverage in the minimum amount of \$1,000,000 and naming Palm Beach State College and its District Board of Trustees as additional insured.
2. In lieu of a certificate of insurance, the College requires renters to purchase Tenants' and Users' Liability Insurance. The Florida College System Risk Management Consortium suggests the use of the TULIP program because it ensures that the correct insurance and liability limits are in place for the event and makes the renter directly responsible for payment of the premium, relieving the College of the responsibility for collecting premiums.

A use/renter will go to <https://tulip.ajgrms.com/> and select "Get a Quote" or "Quick Quote". Palm Beach State College is currently listed on the program's website and the user/renter will fill out the event information after selecting our College. The user/renter will be required to pay for the insurance at that time via a credit card and a certificate of insurance, naming Palm Beach State College and its District Board of Trustees as additional insured, will be e-mailed to the user and to the College.

Community Course Fees

Expenditures for the continuing workforce education program provided by the College must be fully supported by fees. Fees charged for Recreational and Leisure, which is a sub-function classification of non-credit courses and are designed to provide recreational or leisure-time activities are also determined locally. Course additional fees are charged to cover costs of the program. Please refer to [Appendix B](#) for a current listing.
