

Honors Poster Guidelines

The Honors College requires that a student who requests to do an honors project also complete an honors poster to present at an Honors Poster Symposium.

- **PRINTING:** Students will not be required to pay for the printing of their project poster as long as the materials are submitted by the deadline located on the honors calendar. The Dr. Floyd F. Koch Honors College covers the cost of \$15 each poster. If you do miss your deadline, you will need to go to an outside vendor at your own cost. Your poster will need to be ready in time for the Honors Symposium.
- **POSTER SUBMISSIONS:** Suggested design formats include PowerPoint, Publisher, and Photoshop. Posters must be 24" x 36" with a 3/4" border (Poster design must fit inside these parameters) Please send it to us in a Acrobat (pdf) format with your last name as subject and project name in the title. The file should be sent to us at honors@palmbeachstate.edu
- **ERROR & REPRINTS:** If there is some reason you need to change the poster, students will be responsible for a re-print fee or \$15.
