Math Tutoring Cohort

The IEECE held its first math tutoring cohort session on June 8, 2015. Professor Jean Patrick Michel, math instructor at Palm Beach State College's Boca Raton campus, is working closely with the cohort for a total of eight sessions. The goal of the tutoring cohort is to prepare these students for successful completion of Strategies of Developmental Math this fall. Confidence is on the rise, as students feel they are "finally getting it!"

If you would like more information about the IEECE's tutoring program, please contact Laura McCadden at (561)868-3998 or mccaddel@palmbeachstate.edu.
