

How to Access Library Resources

You do not have to be on campus to use the library's resources. The library's resources are accessible online, and access includes the ability to view eBooks, read full-text articles, browse subject-specific databases, and much more.

Method 1: To access the library's resources, log in to your PantherWeb student portal using your student ID and password, and then click on the yellow library icon under Quick Links.

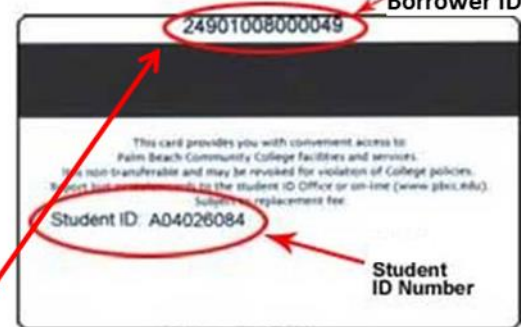

Step 1: Log in to  **Step 2:** Click on 

Method 2: You may be asked to access the library's resources using a **Borrower ID** and a **Pin/Password**. This is **NOT** your PantherWeb student information!

Your **Borrower ID** is the full 14-digit card number on the back of your PantherCard that starts with 24901. Your **Pin/Password** is a 4-digit number that represents your 2-digit birth month and 2-digit year of birth. So if, for example, you were born in July of 1995, your pin would be 0795.
