Psychology Research Lab at Palm Beach State College

**About**

Under the direction of Dr. Ted Cascio, Palm Lab has been providing PBSC students with hands-on experience conducting high-quality psychological research for publication since 2018. Anyone interested in learning more about the scientific research process while burnishing his or her research credentials can volunteer to join our team as a research co-investigator. We generally aim to present the products of our research at academic conferences.

**Research Topics**

- Dispositional Mindfulness
- Intellectual Humility
- Self-Esteem & Narcissism
- Five-Factor Personality Model
- Positive & Negative Affect
- and much, much more
