Enrollment Information:

1. "Search for Classes" for specific day/time information for these courses via the Panther Web at www.palmbeachstate.edu
2. Complete and submit a Palm Beach State College application. On the enrollment intention section of the application, choose the following as your enrollment intention: **I intend on taking college credit courses as a non-degree-seeking student.** This option is for students who wish to take credit courses for job improvement or teacher recertification.

If you have a current college application which does not reflect non-degree seeking status as your program objective, you must submit a program objective change form before proceeding. **Your program objective should be submitted as a 3407: Employment Related on this form.** Link to form:

3. Submit official high school transcript plus any higher education transcripts to Palm Beach State College Registrar's Office. Official transcripts must be sent by each institution in sealed envelopes or sent electronically by the institution. The Registration Office allows one semester enrollment without official transcripts; however, will not allow any subsequent enrollments.
4. Once your application has been processed, you can log on to [Panther Web](#) and use your student ID and pin to register for classes.
5. Once you have registered for classes, pay close attention to the payment due date. **Failure to pay tuition by your designated due date will result in automatic cancellation of enrollment by the Registrar's Office.** For technical or procedural assistance, please contact Teacher Education – Professional Development at (561) 868-3872 or prophetk@palmbeachstate.edu
