

Table 1

JUNO DUNES ROOKERY MONITORING 2005

Date	Species	No. of Individuals	Indicate type of activity, if known
2/1/2005	none observed		
2/7/2005	Great Blue Heron	1	heard
2/7/2005	Blue-gray Gnatcatcher	6	passing through
2/7/2005	Tri-colored Heron	1	feeding
2/7/2005	Rock Dove	4	flyover
2/7/2005	Turkey Vulture	1	flyover
2/7/2005	various Warblers	6	heard
2/9/2005	Anhinga	3	roosting
2/9/2005	Great Egret	1	roosting
2/9/2005	Great Blue Heron	1	roosting
2/9/2005	Little Blue Heron	1	roosting
2/9/2005	Tri-colored Heron	1	feeding
2/9/2005	unidentified hawk	1	flyover
2/9/2005	Alligator	1	heard
2/15/2005	Gray Catbird	1	heard
2/15/2005	Yellow-crowned Night Heron	1	roosting
2/15/2005	Anhinga	1	roosting
2/28/2005	Anhinga	2	roosting
2/28/2005	Yellow-crowned Night Heron	1	roosting
2/28/2005	Tri-colored Heron	1	roosting
3/8/2005	Belted Kingfisher	1	
3/8/2008	Anhinga	1	roosting
3/8/2005	Tri-colored Heron	1	roosting
3/24/2005	Northern Cardinal	1	heard
3/24/2005	Common Yellowthroat	2	heard
3/24/2005	Red-bellied Woodpecker	1	heard
4/11/2005	Anhinga	1	roosting
4/11/2005	Common Yellowthroat	1	heard
4/11/2005	Green Heron	1	roosting
4/11/2005	Little Blue Heron	10	4 nests observed
4/11/2005	Snowy Egret	3	roosting, potential for nesting
4/11/2005	Cattle Egret	2	2 nests observed
4/11/2005	Tri-colored Heron	2	roosting, potential for nesting
4/11/2005	Mangrove Salt Marsh Water Snake	1	observed at edge of pond
4/18/2005	Cattle Egret	10	nesting
4/18/2005	Little Blue Heron	7	nesting
4/18/2005	Snowy Egret	1	roosting
4/18/2005	Anhinga	1	roosting
5/9/2005	Little Blue Heron	17	nesting, # of nests unknown
5/9/2005	Cattle Egret	26	nesting, # of nests unknown
5/9/2005	Tri-colored Heron	2	roosting
5/9/2005	Snowy Egret	1	roosting
5/9/2005	Anhinga	1	roosting
5/24/2005	Mostly Cattle Egrets , followed by Tri-colored Herons, Snowy Egrets and Little Blue Herons	Too numerous to count	Birds were easily spooked which made counting individuals impossible. There appeared to be 50 nests. Monitoring was discontinued to avoid disturbance of nesting activity.
7/22/2005	Cattle Egrets account for about 30%, followed by Tri-colored Herons, Snowy Egrets and Little Blue Herons collectively at 70%	Too numerous to count	Estimated nest count is 50. Nests were observed with young birds.
