**ITB 11/12-09 Surplus Equipment for Sale**

**Question:** I noticed that the equipment is all in lots and is that the only way it can purchased?

**Answer:** All items are sold by the lot and not individually. Once the items have been sold, the awarded vendors will be posted on our website. If purchase of an individual item is desired, the party can then contact the awarded vendor for a transaction not to involve Palm Beach State College.
