How to Access Safety & Risk Management Online Training

1. Click the eLearning tab at the top of any Palm Beach State College web page.

2. Click the Blackboard Log In link on the left.
3. Enter username and password, then click the “Login” button.

3. Click on the Organizations link at the top right.
4. Click on Safety & Risk Management in the Organization list.

5. Hover mouse over Safety_Risk_Management to reveal down arrow menu, and click “Enroll” to self-enroll in the Organization.
6. Once you click on “Enroll” you should be automatically brought to the Safety & Risk Management Organization Home Page. From there you will see the course list on the left. Click on the course name to begin and follow the directions from there.
