Palm Beach State College
Student Quarantine and Isolation Recommendations
More information available at palmbeachstate.edu/safety/covid-19

Reminder: If you have a fever or are experiencing other symptoms of illness, stay home.

**CONFIRMED POSITIVE COVID TEST**

- Did you test positive for Covid?
  - YES: Notify your Student Dean and Professors via email and provide a copy of the Positive Test
  - NO: ISOLATE

**ISOLATE**

- STAY HOME for 5 Days
- After 5 days, get another Covid Test
- Prior to Return to Campus Provide NEGATIVE TEST to your Student Dean

**NOTE:** Some people may test positive with a PCR test for a month or more even if their symptoms have resolved. Follow up Rapid tests on days 7 or 10 after an initial PCR test is performed, or a subsequent medical clearance may be required if symptoms have not fully resolved by day 10 after the initial positive test.

**STAY HOME until your symptoms resolve**

The proper wearing of masks and regular handwashing with soap and water are proven ways of reducing the spread of illness.

**KNOWN COVID EXPOSURE**

- Have you been EXPOSED to someone that tested positive for Covid?
  - YES: No Quarantine Required
    - Wear a mask around others for 10 days
    - Monitor symptoms and get tested if symptoms arise
    - After 5 days, get a Covid Test
  - NO: You are asymptomatic and have not been exposed to Covid. You have “cleared” the general campus Covid protocols and can continue normal activities!
